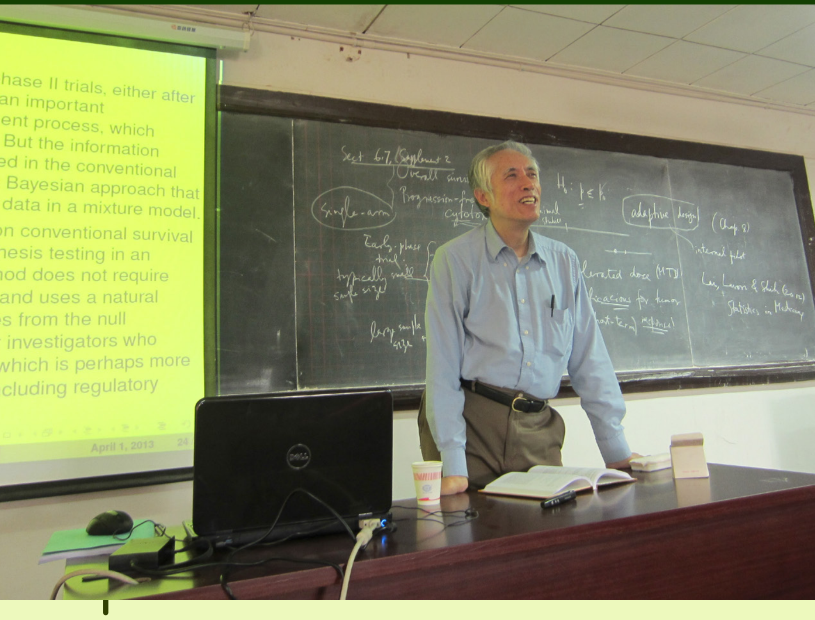
HKU-CUHK-HKUST-Stanford Conference in Quantitative Finance

In Honour of Professor Tze Leung Lai



Objectives:

This joint conference began on Jan 3-4, 2008, and has been held approximately once every two years since then. Its scope includes all areas of quantitative finance and also covers actuarial science, and features speakers from both academia and industry, fostering their interaction. The 2015 Conference touches on new frontiers, including data-driven financial analytics, and celebrates the 70th birthday of Professor Tze Leung Lai, who has made seminal contributions to this area.

Date & Venue:

DEC 11, 2015 (Fri)	LT6, Lady Shaw Building, CUHK
DEC 12, 2015 (Sat)	CPD-3.28, 3/F, The Jockey Club Tower (Centennial Campus), HKU

Organizing Committee:

JING, Bingyi
LI, Wai Keung
SHAO, Qiman
WONG, Hoi Ying
WONG, Samuel Po-Shing
YANG, Hailiang

The program is registered with GARP and is eligible for Continuing Professional Development (CPD) credits. GARP has determined that attending this conference qualifies for 14 GARP CPD credit hours (7 credit hours per day). If you are a Certified FRM, please log-on to your GARP profile and record this activity at http://www.garp.org/cpd.
