

THE UNIVERSITY OF HONG KONG

**Research Assistant
in the Department of Statistics and Actuarial Science**

Applications are invited for appointment as Research Assistant in the Department of Statistics and Actuarial Science, to commence as soon as possible for one year, with the possibility of renewal.

Applicants should possess:

- Bachelor/Master degree in Computer Science/Technology, Data Science and Artificial Intelligence or similar disciplinary
- Knowledge in deep learning model, image/video analytics, web development, web server, virtual environment, and basic statistics knowledge. Natural language processing and mobile apps are optional.
- Programming skills: flask, PHP, HTML, python, javascript, json, MySQL, Yolo, Tensorflow/PyTorch, and programming in virtual environment. Large language model (Bert, ChatGPT/ChatGML, prompt engineering, Open AI Sora, etc.) is optional.
- 1-2 years working experience would be an advantage.

Excellent candidate has potential to study in the part time MPhil. Applicants can send the CV and transcript directly to Dr Adela Lau, adelalau@hku.hk.

For enquiry, please contact Dr Adela Lau, adelalau@hku.hk.
