

Online Talk on BSc(ActuarSc) Course Selection for Freshmen 2023

August 15, 2023 (Tuesday)

Agenda

- 1. Understand HKU and your degree**
- 2. Important terminology**
- 3. Course selection**
- 4. Routine study life at HKU**
- 5. Professional examinations (SOA and IFoA)**
- 6. Exchange, internship, CAP**

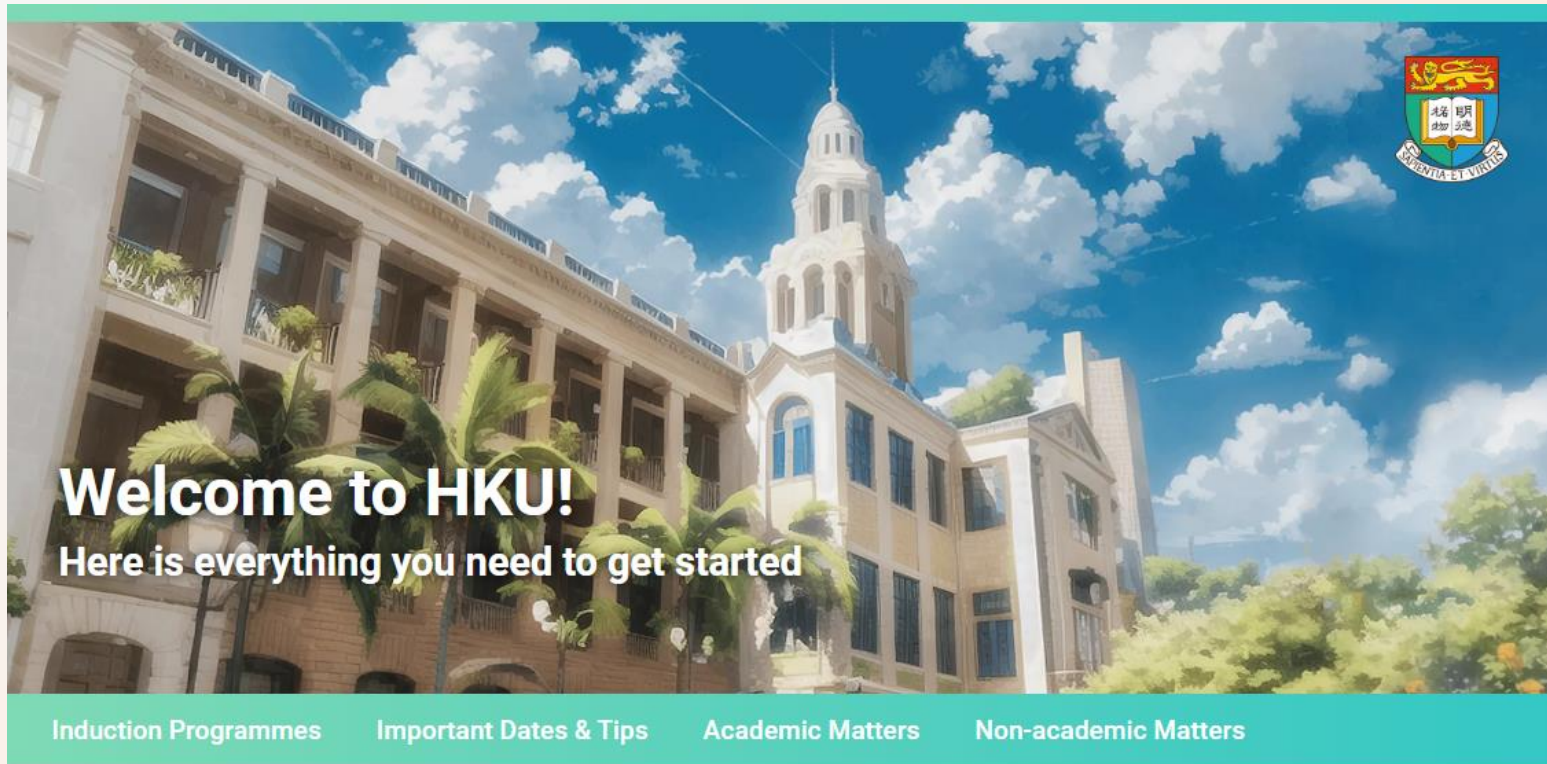

University Educational Aims (UEA)

BSc(ActuarSc) is a professional degree...

- **UEA 1: Pursuit of academic/professional excellence, critical intellectual inquiry**
- **UEA 2: Tackling novel situations and ill-defined problem** **Actuaries are problem solvers...**
- **UEA 3: Critical self-reflection, greater understanding of others, and upholding personal and professional ethics** **Actuaries have code of conduct...**
- **UEA 4: Intercultural communication, and global citizenship** **Actuary is a global profession...**
- **UEA 5: Communication and collaboration** **Actuaries are team players...**
- **UEA 6: Leadership and advocacy for the improvement of the human condition** **Actuaries are business leaders...**

Programme Title BSc in Actuarial Science

Offered to students
admitted to Year 1 in 2023-2024

Objectives:

The Actuarial Science curriculum aims at providing formal academic and professional training to students who wish to join the actuarial profession. Although actuarial science is a separate discipline with its own area of knowledge, modern actuarial training requires multidisciplinary knowledge such as probability, statistics, economics, investment, finance, law, taxation, and accounting. The Actuarial Science curriculum reflects this by incorporating various interdisciplinary courses into the basic actuarial training. The programme is set up to equip students with solid background in actuarial science, to develop their confidence and analytical skills to define and tackle problems in actuarial science and other related fields. Specifically, the programme is designed to provide adequate knowledge for students to sit for the early professional examinations organized by international actuarial organizations so that they can successfully join the actuarial profession after graduation. In addition, the programme provides enough academic training for students who wish to pursue postgraduate studies in actuarial science or other related areas.

Learning Outcomes:

By the end of this programme, students should be able to:

- PLO 1: understand and apply various analytic and quantitative methods to define and solve problems in insurance, finance, economics, investment, pension, financial risk management and demography (by means of coursework and tutorial classes and/or research-based project in the curriculum)
- PLO 2: understand and identify the nature of insurance, finance and investment risks (by means of coursework and tutorial classes and/or research-based project in the curriculum)
- PLO 3: develop analytical skills to evaluate and measure various kinds of risk, and appraise the related moral and ethical issues (by means of coursework and tutorial classes and/or research-based project in the curriculum)
- PLO 4: formulate effective business strategies to manage various kinds of risk (by means of coursework and tutorial classes and/or research-based project in the curriculum)
- PLO 5: communicate and collaborate with people effectively on issues related to actuarial science (by means of coursework and tutorial classes and/or research-based project in the curriculum)
- PLO 6: discuss current actuarial issues and acquire and apply practical knowledge in some specially designed courses (by means of coursework and tutorial classes and/or research-based project in the curriculum)

Impermissible Combination:

Required courses (132 credits)

1. Year I Courses

Disciplinary Core Courses (42 credits)

ACCT1101	Introduction to financial accounting (6)
ECON1210	Introductory microeconomics (6)
ECON1220	Introductory macroeconomics (6)
MATH1821	Mathematical methods for actuarial science I (6)
MATH2822	Mathematical methods for actuarial science II (6)
STAT2901	Probability and statistics: foundations of actuarial science (6)
STAT2902	Financial mathematics (6)

2. Year II Courses

Disciplinary Core Courses (42 credits)

COMP1117	Computer programming (6)
STAT3901	Life contingencies I (6)
STAT3902	Statistical models (6)
STAT3903	Stochastic models (6)
STAT3904	Corporate finance for actuarial science (6)
STAT3905	Introduction to financial derivatives (6)
STAT3907	Linear models and forecasting (6)

3. Year III Courses

Disciplinary Core Courses (30 credits)

STAT3906	Risk theory I (6)
STAT3908	Credibility theory and loss distributions (6)
STAT3909	Life contingencies II (6)
STAT3910	Financial economics I (6)
STAT4904	Statistical learning for risk modelling (6)

4. Year IV Courses

Disciplinary Electives (12 credits)

At least 12 credits selected from the following courses:

STAT3911	Financial economics II (6)
STAT3951	Topics on advanced actuarial modelling (6)
STAT3953	Fundamentals of actuarial practice (6)
STAT3954	Current topics in actuarial science (6)
STAT3956	Life contingencies III (6)
STAT4901	Risk theory II (6)
STAT4902	Selected topics in actuarial science (6)
STAT4903	Actuarial techniques for general insurance (6)

5. Capstone Requirement (6 credits)

At least 6 credits selected from the following courses:

STAT4711	Capstone experience for actuarial science undergraduates (6)
STAT4767	Actuarial science internship (6)
STAT4798	Statistics and actuarial science project (6)

(6) means 6 credits (學分)

Student Handbook (P.45):

To complete the BSc(ActuarSc) curriculum, you are required to pass at least 240 credits of courses normally spread over four years of full-time study. You should take 60 credits of courses in each year.

Study 8 semesters

- Including exchange
- Excluding internship (leave)

1 semester: 30 credits (5 courses)

1 year: 60 credits (10 courses)

Need special approval if you want to take > 36 credits, or < 24 credits in one semester (Not allowed for Year 1 students)

**Total no. of credits cannot exceed 288
Overall study period cannot exceed 6 years (except for mandatory military service)**

**BSc(ActuarSc)
Programme Requirements**

Other Graduation Requirements

- Other than taking Disciplinary Core and Elective courses
- 3 Language Courses
 - ❖ CAES1000 (Year 1)

Notes

- This table is suggested for students' reference only. Students can choose another subclass if the course is also offered in different semesters/time slots. However, students are reminded to check the course pre-requisites when planning their studies ahead, whilst course offering semester and availability are subject to changes every year. Please refer to the Faculty of Science's Student Handbook and Syllabuses & Regulations for more details.
- Students may also choose to take more Disciplinary Electives or inter/intra-faculty electives as free electives than the number stipulated above within the allowed course load.
- Putonghua-speaking students can also choose to satisfy the Chinese language enhancement requirement by taking CUND9002 or CUND9003 instead.
- Please refer to the Student Handbook for details about exemption if applicable.
- Lists of Disciplinary Electives (at least 12 credits) and Capstone courses:

Disciplinary Electives

STAT3911	Financial Economics II
STAT3951	Topics on Advanced Actuarial Modelling
STAT3953	Fundamentals of Actuarial Practice
STAT3954	Current Topics in Actuarial Science
STAT3956	Life Contingencies III

STAT4901	Risk Theory II
STAT4902	Selected Topics in Actuarial Science
STAT4903	Actuarial Techniques for General Insurance

Capstone

STAT4711	Capstone Experience for Actuarial Science Undergraduates
STAT4767	Actuarial Science Internship
STAT4798	Statistics and Actuarial Science Project

Disciplinary Courses

- All-round actuarial training – economics and quantitative finance, statistics and data-analytical skills, actuarial mathematics

BSc(ActuarSc) First Year Timetable

<https://www.scifac.hku.hk/current/ug/useful-resources/calendar-and-timetables>

THE UNIVERSITY OF HONG KONG
DEPARTMENT OF STATISTICS AND ACTUARIAL SCIENCE
Suggested BSc(ActuarSc) First Year Timetable
1st semester of 2023-24

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
8:30 – 9:20 am						Common Core
9:30 – 10:20 am	MATH1821				MATH1821	
10:30 – 11:20 am	MATH1821			ACCT1101-C ECON1210-A	MATH1821	
11:30 – 12:20 pm	ACCT1101-C ECON1210-A			ACCT1101-C ECON1210-A		
12:30 – 1:20 pm	ACCT1101-A		Common Core	ACCT1101-A		
1:30 – 2:20 pm	ACCT1101-A	ACCT1101-D ECON1210-F		ACCT1101-E ECON1210-B		
2:30 – 3:20 pm	ACCT1101-J ECON1210-B ECON1210-H	ACCT1101-D ECON1210-F		ACCT1101-E ECON1210-B		
3:30 – 4:20 pm	ACCT1101-J ECON1210-H	ACCT1101-D ECON1210-F		ACCT1101-E		
4:30 – 5:20 pm	ACCT1101-J ECON1210-H					
5:30 – 6:20 pm						

Other course to be taken: (too many subclasses to list) CAES1000:

There are about 56 subclasses in first semester.

Remarks:

ACCT1101: A no. of places are reserved in subclasses A, C, D, E and J for BSc(AC) students. See the timeslots above.

ECON1210: A no. of places are reserved in subclasses A, B, F and H for BSc(AC) students. See the timeslots above.

Course Selection in SIS

➤ https://intraweb.hku.hk/reserved_1/sis_student/sis/SIS-reference-materials.html

THE UNIVERSITY OF HONG KONG
香港大學

How to select a course in SIS

1. Login to HKU Portal. You will be directed to the SIS Main Menu. Go to **Enrollment > Enrollment Add Classes**. Select the appropriate term and click **CONTINUE**.
2. To view your program guide, click the **Search** button under "My Requirements".
3. You can view the detail requirement of your programme/major/minor(s) by choosing "Show Requirement Details" at the top of your program guide.
4. Your program guide will list out all the courses you can take in the selected semester.
5. To add a class, click the blue link in the "Description" column of the course. You can then view the course detail and the number of class sections available.
6. You will then go to the information page of this class. Click **NEXT** to continue.
7. A message will be displayed to confirm that you have added the class to your "Temporary Course List". At this point, you can choose to add other classes by repeating steps 2 to 7 of this leaflet or click **PROCEED TO STEP 2 OF 3** button to confirm the enrollment.

To add this course, click the **select** button of the appropriate subclass.

Bachelor of Social Sciences

BSoSci UD 1 Requirements

English Language Courses Requirement

The following courses may be used to satisfy this requirement:

Course	Description	Units	Status
CAES1000	(4) Core University English	2019-20 Sem 1	First (1 of 1) Last

Chinese Language Courses Requirement

The following courses may be used to satisfy this requirement:

Course	Description	Units	Status
CUN29003	(4) Certificate for Non-Cantonese	2019-20 Sem 1	First (1 of 1) Last

Common Core Courses Requirement

The following courses may be used to satisfy this requirement:

Course	Description	Units	Status
CCCH9002	Chinese Class in the 21st Century	2019-20 Sem 2	First Semester
CCCH9003	Science and Technology: Lesson	2019-20 Sem 1	Both Semester (1 of 2)
CCCH9042	The Evolution of Civilization	2019-20 Sem 1	Second Semester
CCCH9056	Visual Images, Real Bodies	2019-20 Sem 1	Second Semester
CCCH9058	Nature in the City: Beyond the	2019-20 Sem 1	Second or Summer
CCS79027	Mathematics: A Cultural History	2019-20 Sem 1	Second or Summer
CCS79054	War, Peace, and the Natural World	2019-20 Sem 1	Second or Summer

Course Detail

Undergraduate Course

Units: 6.00

Grading Basis: Credit (A-F)

Course Components: Required

Course URL: <http://enrollment.hku.hk/bsoc0902>

Campus: HKU Campus

Academic Group: The University of Hong Kong

Academic Organisation: University Central

Enrollment Information

Typically Offered: First Semester

Enrollment Requirements

Students under 3 yr completion should complete 2 CC courses from different AOs. Students under 4 yr completion should complete 6 CC courses, with at least one and not more than two courses from each category with not more than 24 credits in one year.

Approval Notes: Course-based approval

Course Attributes

Sustaining Core: Culture, and the Earth

Core: C, S, U

First semester: No

4-year cohort: All levels

First Course Code: Yes

Appears On Transcript: Yes

Description

In spite of the vast and superior knowledge possessed by the ancient Chinese

Class Preferences

GEOG 1007-0A [Open] Permission No. []

Session: Regular Academic Session

Section: []

Booking: Grading Basis: 4.0

Units: 6.00

Program: BSoSci (4)

Enrollment Information

- Approval Status: Approval not required
- Registration: Concurrent
- F2F: All face-to-face/alternate weeks: Yes
- First Attendance: No
- Course Level: Undergraduate
- First Course Code: Yes
- Appears On Transcript: Yes

Cancel [Next]

Note: If you have selected a specific class indicating "F2F lecture in alternate weeks: Yes" under the "Enrollment Information", special split-class arrangement will be adopted for the sub-class concerned. You will be assigned to Group A or B according to the last digit of your student university number and attend face-to-face lectures in alternate weeks. For details, please refer to the "SIS Quick Guide (Student) on Split-Class Arrangement for UG Lectures" (available on the HKU Portal > "SIS Reference Materials" link).

6COCH 9020 has been added to your Temporary Course List.

Special Approval

➤ Prerequisite not met

➤ Time clash

- ❖ Not approved unless under very special circumstances
- ❖ Must first seek advice from the concerned course teachers

➤ Taking course load deviating from normal load

(> 36 or < 24 credits in 1 semester, or > 72 credits in 1 year)

- ❖ Not suggested for first year students

Step 1:

- Seek advice from course teachers and/or course selection advisers (CSA)

Step 2:

- Submit request to OASS with supporting document (e.g. your timetable)

Step 3:

- Wait for approval/rejection and check the course enrollment status

- Plan your own path and build up your profile
 - ❖ Leadership
 - ❖ Voluntary service
 - ❖ Hobbies
 - ❖ Extra-curricular activities
 - ❖ Certificates

Major and Minor

BSc(ActuarSc)

You may optionally take a major or minor(s) offered by any Faculty, provided that you fully satisfy the course requirements.

As students are not required to declare any major (or minor) in the first year, you can try out courses that suit your academic interests before you commit to a particular major/minor. You have to declare your intended major or minor(s) online during the course selection period in August before the start of your third year of study, the latest. However, even if you have declared your major/minor, you can still change it as long as the online course selection system is opened in the 1st semester of your last academic year for graduation. You should take ultimate responsibility to ensure that you have enough time to fulfil the curriculum requirements of a particular major/minor, as well as the pre-requisite and co-requisites of selected courses are fulfilled when you consider changing your major/minor.

If you fail to fulfill the declared major or minor(s) upon graduation, such major or minor(s) will be deleted automatically from record.

Some non-Science faculties may set a minimum requirement for their majors and minors offered. You should check with the relevant Faculty for the detailed requirements.

Among 2022-2023 Graduates

- 35 (Dec 2022) + 29 (May 2023) = 64
- Second Majors:
 - ❖ Finance (2)
 - ❖ Computer Science (1)
 - ❖ Economics (1)
 - ❖ Sociology (1)
- Minors:
 - ❖ Accounting (4)
 - ❖ Computer Science (9)
 - ❖ Economics (1)
 - ❖ Finance (10)
 - ❖ Hong Kong Studies (1)
 - ❖ Mathematics (3)
 - ❖ Physics (1)
 - ❖ Spanish (1)
 - ❖ Sustaining Cities, Cultures, and the Earth (5)

Reminder in Course Selection

- You **MUST** follow the BSc(ActuarSc) curriculum to take ALL the disciplinary core courses!
- For example, if you wish to do a minor in finance, you will encounter some issues:

*Problems for
BSc(ActuarSc)
students*

Minor in Finance (36 credits)

<u>Course code</u>	<u>Course title</u>	<u>Credits</u>
ACCT1101#	Introduction to financial accounting	6
ECON1210#	Introductory microeconomics	6
FINA1310#	Corporate finance	6
XXXXxxxx#	One of the following prescribed statistics courses:	6
	ECON1280 Analysis of economic data <i>or</i>	
	STAT1602 Business statistics <i>or</i>	
	STAT1603 Introductory statistics	
ECON1220	Introductory macroeconomics	6
FINA2320	Investments and portfolio analysis	6

Do you know why?

Reminder in Course Selection

- ACCT1101 and ECON1210 should be taken by BSc(ActuarSc) to fulfill the degree requirement, the courses may not be double counted to fulfill other major/minor requirements.
- FINA1310 is not in the BSc(ActuarSc), so what is the problem?

*Problems for
BSc(ActuarSc)
students*

Minor in Finance (36 credits)

<u>Course code</u>	<u>Course title</u>	<u>Credits</u>
ACCT1101 [#]	Introduction to financial accounting	6
ECON1210 [#]	Introductory microeconomics	6
FINA1310 [#]	Corporate finance	6
XXXXxxxx [#]	One of the following prescribed statistics courses:	6

Consultation times: TBA

Tutor: TBA

Pre-requisites: ACCT1101 Introduction to financial accounting

Co-requisites: None

Mutually exclusive: STAT3904 Corporate finance for actuarial science

Course Website: Your Moodle Account

Other information: refer to supplementary information provided by individual instructor later

COURSE DESCRIPTION

This is an introductory finance course that develops the basic concepts and tools applicable to corporate financial decisions. Two main tasks of financial managers are studied: project evaluation and financing decisions. Specific topics include present value calculation, valuation of stocks and bonds, investment criteria and capital budgeting, risk and return, cost of capital, and capital structure. Corporate ethics is also incorporated in the discussions.

*Passing in FINA1310
will disallow you to
enroll in STAT3904
(a core course), so you
will fail to complete
your BSc(ActuarSc)
degree*

Reminder in Course Selection

➤ General Principle:

- ❖ For any conflict, you must first follow your degree curriculum (i.e. your first major), and then you should seek special arrangement (e.g. course replacement) in your second major or minor(s), through the course offering department/faculty.

Code	Course Name	Lecturer	Semester
ACCT1101ABC	Introduction to Financial Accounting		1
ACCT1101DE	Introduction to Financial Accounting		1

Specialist Advanced	Master's level thesis SA0	Health and Care Advanced SA1	Life Insurance Advanced SA2	Pensions and other benefits Advanced SA4	Investment and Finance Advanced SA7		General Insurance Advanced SA3			Pass one SA subject

IFoA Accreditation

- In 2019, an accreditation agreement was signed and approved by IFoA. Under the new accreditation agreement, The University of Hong Kong now joins the ranks of selected institutions worldwide that offer the maximum exemptions (CS1, CS2, CM1, CM2, CB1, and CB2).
- <https://saasweb.hku.hk/current/as/ac-exemptions.php>

- With the new accreditation, students who graduate with a BSc(ActuarSc) degree from The University of Hong Kong with the required marks in specified subjects will be exempted from taking various IFoA subjects in the new curriculum, as they begin their journey towards qualifying as an actuary.

SOA Curriculum: ASA Pathway 2022

**SOCIETY OF

Career Matters

Internship and Career Training

Internship

Why is
internship
important?

Very
competitive
market!

Internship

- Usually in Year 3 or Year 4
- 6 months (e.g. January-June or July-December)
- Need to apply for leave of absence, and defer the study

Apply Internship				Apply for Leave + Apply for Enrolment				Internship Period								Oral Presentation and Report																							
Year 2 Sem 1				Year 2 Sem 2				Year 3 Sem 1								Year 3 Sem 2				Year 4 Sem 1				Year 4 Sem 2				Deferred Year 5											
9	10	11	12	1	2	3	4	5	6	7	8	9	10	11	12	1	2	3	4	5	6	7	8	9	10	11	12	1	2	3	4	5	6	7	8	9	10	11	12

- If you wish to use your internship to fulfill the **Capstone Requirement: STAT4767 Actuarial science internship**,
 - ❖ the earliest time you can start your internship is the summer after your Year 2 study;
 - ❖ you must have passed 4 advanced disciplinary courses including STAT3901 Life contingencies I prior to the start of the internship;
 - ❖ submit your registration prior to the start of the internship.
- Check the details on the Department website:
 - <https://saasweb.hku.hk/current/stat4767.php>

Skill Set

➤ Hard Skills

- ❖ Actuarial knowledge
- ❖ Mathematical mind
- ❖ Financial sense
- ❖ Logical thinking
- ❖ Modelling skills
- ❖ Statistical techniques
- ❖ Language proficiency
- ❖ Programming skills
- ❖ Computational effectiveness and efficiency

➤ Soft Skills

- ❖ Communication
- ❖ Presentation
- ❖ Flexibility
- ❖ Motivation
- ❖ Patience
- ❖ Attitude
- ❖ Respect
- ❖ Leadership
- ❖ Teamwork
- ❖ Time management
- ❖ Work ethics

Job Hunting

- How to look for job opportunity?
 - ❖ Full-time placement/internship
 - ❖ Part-time work
 - ❖ Summer job
- CEDARS
- NETjobs
- JIJIS
- Internship/Job Online-application System
(for SAAS students only)

The Internship Programme

[Login to Internship/Job Online-application System](#)

▶ Benefits to Students

There is no better training than obtaining solid hands-on experience in the real workplace. Our Internship Programme serves precisely this purpose. As an intern, the student will gain insight into the challenging world and daily activities of an Actuary/Statistician while strengthening his/her technical, analytical and communication skills.

Under the Internship Programme, BSc(ActuarSc) students, students who declare Decision Analytics / Risk Management / Statistics as their First Major, and our postgraduate students are eligible to use the Department's Internship/Job Online-application System, where related internships and other job openings including graduate positions will be posted.

Our alumni may wish to know that normally they will still be eligible to use the System after graduation from our Department.

▶ Benefits to Employers

Actuarial Science and Decision Analytics / Risk Management / Statistics students at The University of Hong Kong are equipped with a wide spectrum of knowledge and skills:

- data management, data analysis, statistical modelling;
- loss modelling, actuarial modelling; and
- ability to use software packages: word processing, spreadsheets, VBA, database management, SAS, graphics, PowerPoint presentation.

Actuarial Science and Decision Analytics / Risk Management / Statistics students can contribute to the employer's company in many areas:

Skills and Areas of Knowledge	Typical Job Areas
<ul style="list-style-type: none">• financial services and banking• insurance pricing and analysis• actuarial consulting• pension and benefit programme evaluation• financial reporting• risk analysis	<ul style="list-style-type: none">• data analysis for evaluation of programmes• end-user computer support• designing worksheets and graphs• using PC spreadsheet software• financial analysis using actuarial and statistical techniques

Internship / Job Online-application System

Please read the following terms very carefully and complete the blanks, if applicable, before you submit applications:

DECLARATIONS

1. If applicable, I have completed my last exchange on or last internship on .
2. Based on my latest available period, from **2017-07-01** to **2019-12-31**, I am available for the entire appointment period.
3. If applicable, I have a valid permission to take up this job in accordance to the Immigration Regulations.
4. If I am nominated for the post, I will attend the employer's interview and if applicable, I will accept employer's offer. I will complete the Interview Feedback Form ASAP (but not later than 3 days) after attending the interview and receiving offer.
5. If I decide to decline any possible nomination and job offer, I will notify the Department within 24 hours at internship-job@saas.hku.hk.
6. If applicable, requirements I do not meet include

 (Max. 100 characters).
7. I have provided the latest CV and cover letter tailored to this particular job.
8. If I resign from the position prior to the end date stated in the job description, I will complete Section C of the Interview Feedback Form within 3 days.
9. I agree not to send my application directly to the employer without prior consents of my Department.
10. I taken the course STAT4767 Actuarial Science Internship. If not, I take the course STAT4767 Actuarial Science Internship after I accept an internship position. (This course is required if you want to be regarded as a student intern and exempted from the Minimum Wage Ordinance).
11. After I accept a full-time internship position that overlaps with the academic school period from September 1 to May 31, I will apply for leave of absence from the Department via the Faculty of Science office as soon as possible. Please note that the Department reserved the right NOT to approve any cancellation for leave of absence that has already been approved.
12. **I understand that I may be disqualified for nomination of all prospective internship and graduate job opportunities for any reported violation of the above obligations.**

Internship / Job Online-application System

➤ Eligibility to use the System

- ❖ Only students (and alumni) of our Department of Statistics and Actuarial Science
- ❖ For AS students, you are required to attend
 - Prelude to Actuarial Internships cum Workplace Etiquette Workshop (either session in Sem 1 or Sem 2)
 - Oral presentation of Actuarial Science Internship given by your senior students (a specific number of sessions)
 - Consultation session with career adviser
- ❖ Preliminary access to the System will be granted in the middle of Sem 1. Full access will be granted upon completion of all requirements in the middle of Sem 2
- ❖ As soon as you have preliminary access, you should upload your CV for career adviser's review
- ❖ Check our Department's job advertisements from time to time and apply them before the deadline

Prelude to Actuarial Internships 2023

- **Date: September 6, 2023 (Wednesday)**
- **Time: 10:30 a.m. – 12:30 p.m.**
 - ❖ Invited guest speaker from the industry
 - ❖ Share experience as actuarial practitioners
 - ❖ Talk about the actuarial market landscape
 - ❖ Hint our students how to prepare for actuarial jobs
- **Workplace Etiquette Workshop**
 - ❖ Career adviser will remind you of some useful workplace gesture and attitude

Prelude to Actuarial Internships cum Workplace Etiquette Workshop

DEPARTMENT OF STATISTICS AND ACTUARIAL SCIENCE

To: ALL Actuarial Science Students

Prelude to Actuarial Internship Programme cum Workplace Etiquette Workshop (2021-22 Sem 2)

As you may be aware, the Department has an [Internship Programme](#) for students to acquire hands-on experience from the industry during their years of study. To facilitate students applying for different positions, we have also built an [Internship/Job Online Application System](#) (the System).

The Department will provide a basic industry information training as a "Prelude to Actuarial Internships" to all interested Actuarial Science students at the beginning of

Professional Preparation Programme (PPP)

- Offered in both semesters
- Series of workshops
- Modules

❖ Case Analysis & Presentation

- *Provide business cases and real-life situations for your professional analysis*

❖ Group Interview

- *Specialize the skill in collaboration in group presentation, like leadership and organization*

❖ Choosing between Job Offers (for more senior students)

- *Train students on how to assess different offers critically and make a wise decision*

Certificate Course in “Essential IT Skills”

- Non-credit bearing
- Offered in June (after Semester 2)
- Senior year students have priority, but Year 1 students are also admitted!
- Contents
 - ❖ *C++*
 - ❖ *Excel VBA*
 - ❖ *SQL*
 - ❖ *R*
 - ❖ *Python*
 - ❖ *Project presentation*

Career Advising Programme (CAP)

- Tailored consultation on CV and cover letter writing
- One-to-one or group consultation on interview skills, e.g. mock interview
- Tailored modules of Professional Preparation Programme (PPP)
- Career talks
- Company visits
- Alumni sharing
- **SAAS Career Fair** [Big Event!]

Study Abroad

Exchange Experience

Exchange Opportunities

- HKU Worldwide Undergraduate Student Exchange Programme (HKUWW)
 - ❖ <https://intlaffairs.hku.hk/hku-worldwide-student-exchange>
- HKU Summer Institute
 - ❖ <https://summerinstitute.hku.hk>
- Faculty of Science Exchange Programme
 - ❖ <https://www.scifac.hku.hk/current/ug/el/exchange/faculty-exchange-programme>

Exchange Credit Transfer

➤ Faculty of Science: Course Equivalence Database

❖ https://webapp.science.hku.hk/student/servlet/course_equiv

For credit transfer reference:

Students on exchange may take courses regarded as equivalent to some HKU courses to fulfill the degree requirement.

THE UNIVERSITY OF HONG KONG
FACULTY OF SCIENCE

For 4-Year Curriculum

Application for Leave of Absence and Transfer of Credits for BSc / BSc(ActuarSc) Outgoing Exchange/Visiting Students
(Academic Year : _____)

IMPORTANT NOTES:

- This form should be submitted to the Faculty Office, with all supporting documents attached, at least 1 month before the date of departure.
- The Dean, on the recommendation of the Department concerned, would consider your application for transfer of credits. Transfer of credits is conditional upon your successful completion of the approved courses.
- Students should not change the applied list of courses for credit transfer and the applied equivalent course at HKU afterwards (UNLESS you cannot take such course(s) eventually at your host institution. In such case, you should inform the Faculty by the end of the add/drop period at your host institution for any change of your applied list of courses (including applying new course(s) for credit transfer, dropping applied course(s) at HKU for applied course(s) for approval by the Dean. Any changes in credit transfer application after 1 month of the commencement of exchange/visiting semester will NOT be considered.
- Credits transferred are not included in the calculation of GPA. Only the examination results obtained from this University will be used to determine the honours classification. The Board meets in late June each year to determine honours classification.

Part I : General Information

Name : _____ () Programme of study : _____ University No : _____ Year of Admission to BSc : _____ Current Year of study : 1/2/3/4 *

Intended Major & Minor : Major(s) in _____ (Major 1) _____ (Major 2) Minor(s) in _____ (Minor 1) _____ (Minor 2)

Contact Telephone Number : _____ Email address : _____ Period of exchange/visiting : _____ (Period of leave of absence to be applied (MMYY - MMYY))

Host Institution and Country : _____ Duration : 1st semester / 2nd semester / Summer Semester / 1 year *

Part II : Application for Leave of Absence and Credit Transfer (Please ✓ wherever appropriate)

I wish to apply for leave of absence for my exchange/visiting period, but do NOT wish to apply for transfer of credits to be taken at the host institution. (Go to Part IV)

I wish to apply for leave of absence for my exchange/visiting period and wish to apply for transfer of credits to be taken at the host institution.

I would like to apply for _____ credits of transfer to the HKU BSc / BSc(ActuarSc) degree. (Go to Part III)

Part III : Course information of host institution *

(A) The following details are required for the Faculty to process your application for transfer of credits. You may need to contact the host institution for such details.

Duration of the undergraduate degree curriculum : _____ years Number of semester/terms in each academic year : _____ Start date of semester/term : _____

Number of teaching weeks : _____ in each semester/term ; _____ in each year Standard semester/term study load (credit/unit) : _____ Number of credits required for graduation (credit/unit) : _____

Approximate number of contact hours of each credit / unit of course : _____ Deadline of course add/drop period : _____ Expected date of announcement of examination results : _____

* Supporting documents (with source link), such as course handbook, syllabuses, from the host institution must be attached, otherwise your application for transfer of credits cannot be processed.

Preparation for actuarial intern interviews
by [redacted] - Saturday, 19 March 2022, 2:47 PM

Hello everyone, I have applied for the Pricing Intern from [redacted] Life Insurance and I'm going to attend their online interview next Monday. I'd like to ask if any seniors have past experiences in having interviews with [redacted] (or for other pricing intern positions) and are there any interview tips that you could kindly provide? Thank you.

Re: Preparation for actuarial intern interviews
by [redacted] - Saturday, 19 March 2022, 4:19 PM

Hi [redacted], I had an interview in [redacted] (pricing team) around one month ago so that I can share some experience with you.

The interviewer is Chinese. We used Mandarin to talk throughout the entire interview. In the interview, he asked me to introduce myself, and ask me about what I had done in my previous internship. After that, he shared some more information on the working content and asked me how many days I could work. At the end of the interview, he asked me to wait for HR to contact me.

Faculty Academic Advisers (FAA) Student Peer Advisers (SPA)

- Sign up your *Faculty Academic Adviser* and *Student Peer Adviser*
- <https://aas.hku.hk/faa-signup/>
- You are **required** to meet your FAA at least one time in your First Year (preferably within the add/drop period), to talk about:
 - Your adaption to the university life
 - Your study plan, course enrollment
 - Any problems you encountered
 - Any concerns you have
- If you later need any academic advising, you are always welcome to approach your FAA and/or SPA.

Faculty Academic Advisers (FAA) Student Peer Advisers (SPA)

Sign up for Your Faculty Academic Adviser/ Faculty Student Adviser

Welcome on Board!

Every HKU undergraduate student will be supported by a Faculty Academic Adviser (FAA) throughout your study journey at HKU. The FAA is an academic staff from your Faculty and will provide advice and guidance on your academic-related issues.

Students from the Faculties of
Architecture
Arts *
Business and Economics #
Engineering *
Law #
Medicine (only for Bachelor of Nursing Programme)
Science *
Social Sciences *

You are requested to sign up for your FAA from 2:00 pm, August 14, 2023 (Monday) to 10:00 am, August 21, 2023 (Monday) at <https://ugaa.hku.hk/signup-faa.php>, on a first-come-first-served basis. If you do not sign up by August 21, 2023, the System will randomly assign one to you.
