<b>Green dashed</b>	Science Foundation Courses

**Remarks:**

- If there are any courses (offered by SAAS or not) mutually exclusive to any Core courses, students must take the course stated in the curriculum to fulfil the degree requirement of the First Major.  
Course replacement should only be applied for the other Major(s) or Minor(s).
- The information shown in this flow chart is just for your understanding of the interconnection of different courses. Students must follow the most updated course information (pre-requisite, offering semester, etc.) and syllabus given on the Faculty website and in class.
